India

摘要

Senior Manager - Graphic Design Location: Hyderabad, India Closing Date for Applications: 5th of June 2024 The associate will support the Creative Services Team in branding and visual communication to oversee all design projects from concept to delivery, across campaigns, channels and platforms for the Global Corporate Affairs function. About the Role:

About the Role

Key Responsibilities:

- Lead flagship design projects, ensuring high-quality and innovative design solutions.
- Design and produce captivating layouts across various media and channels to effectively communicate key messages.

- Maintain brand consistency and integrity across all deliverables, adhering to brand guidelines and standards.
- Uphold brand identity and apply design-thinking principles across platforms and projects.
- Coach and mentor junior design team members and provide them with creative/art direction to continue to raise the bar of graphic designs across the function.
- Stay informed about design trends, industry best practices, and emerging technologies to enhance creative output and workflow efficiency.
- Manage projects effectively, including stakeholder management, to ensure timely delivery and alignment with strategic objectives.
- Be able to precisely articulate design rationale and the stakeholder expectations.
- Oversee document and asset management processes to maintain organization and accessibility of design files and resources.
- Foster innovation and collaboration within the team and across CA function to drive creative excellence and achieve strategic goals.

Minimum Requirements:

- Experience in working with multi-disciplinary, cross-functional teams. Ability to conceptualize and execute design strategies based on data and audience insights. Clearly articulate strategic thinking and design decisions.
- Ability to network and communicate with leadership teams of various functions at Global, Regional and country levels. Project management skills.
- Understanding of aligning the creative designs to the Organizational strategy. Ability to multi-task and time management. Knowledge of design thinking process and principles. Experience of document management process.
- University degree OR post-graduation, preferably in fine arts (BA/BFA).
- 12+ years in graphic design, with a strong portfolio displaying expertise in both print and digital mediums

Preferred Skills

- Expert knowledge of Adobe Creative Suite, incl. Photoshop, Illustrator and InDesign.
- Knowledge of Sketch, Adobe Muse, Adobe Edge or other new Design and prototyping software is a plus.

- Strong typography and layout sensibility.
- Understanding of digital as well as offline visualizations and collateral.
- Good Knowledge on Generative AI (Mid journey, firefly, Dall E, Canva AI).
