12月 12, 2024

Ireland

摘要

Location: Dublin, Ireland #LI-Hybride

Are you interested in becoming part of one of the world's largest pharmaceutical companies and working to ensure that Irish patients have access to innovative and groundbreaking medicines? Novartis employs approximately 900 in Ireland, and we are proud that our medicines reach over a quarter of a million people in Ireland every year.

As Head of Public Affairs for Ireland, your responsibilities will be but are not limited to:

About the Role

- Be an integral part of the Novartis Ireland leadership team, contributing to strategic discussions
- Lead Novartis Ireland's public affairs advocacy - representing Novartis to policymakers and

- other stakeholders, facilitating Novartis senior leader engagement
- Analyze and anticipate developments in the policy environment, including policies which are relevant to Novartis 's priority therapeutic areas - Oncology, Immunology, Cell and Gene Therapies, Cardiovascular and Neuroscience - and policies which are relevant to the business more broadly.
 - Lead country level advocacy on EU policies and legislations which are relevant to Novartis Ireland, working closely with our Public Affairs teams in Brussels and Basel
 - Ensure the company - at both national and above-country level - is updated on the political landscape, emerging issues, and opportunities
 - Develop and deliver public affairs strategies and messages to support Novartis ' work, in consultation with relevant internal experts
 - Develop public affairs materials to support our external engagement, including external messaging documents, policy narratives, consultation responses, internal briefings, etc.
 - Act as the point person for interactions with the national trade association and other partners

Minimum requirements:

- Minimum bachelor's degree in political science, social science, economics, or a related field
- Minimum five years of relevant work experience, including meeting with political stakeholders
- Demonstrated knowledge of the Irish public administration and political decision-making processes
- Experience working in complex, matrixed structure
- Commercial awareness
- Excellent written and verbal communication skills (English language)

Additionally, it is advantageous if you have:

- Political experience in government, parliament, or a political party
- Insight into the pharmaceutical industry and Irish healthcare administration
- Experience working in a highly regulated industry with strict compliance processes

Benefits and rewards:
