

Postgraduate in Quality at Novartis Manufacturing Site in Stein

Job ID
REQ-10033368

1月 09, 2025

Switzerland

摘要

We are seeking for a motivated Bachelor or Master graduate interested in a versatile Postgraduate internship position for 1 year in a dynamic and challenging GMP environment in the pharmaceutical industry.

About the Role

Preferred start date: as soon as possible

Latest start date: flexible

Duration: 12 months

Language requirements: proficient in both German and English

Your key responsibilities will include:

- Support in the managing technical complaints by driving the manufacturing investigation, supporting Site ' s Subject Matter Experts and definition of precautionary measures
- Support continuous improvement of our activities, procedures and knowledge as well as experience sharing inside and outside the Manufacturing Site
- Support the preparation of Health Authority responses
- Administration of and communication with our stakeholders outside Novartis
- Administration of product samples delivered back from the customers for technical investigation

You will be part of a supportive, open-minded team who is working closely together whilst having independent activities.

Essential requirements:

- Education: Bachelor or Master graduate in Pharmacy, Chemistry, Microbiology, Biotechnology or another related science (graduation in the past ca. 12 months)
- High interest in Quality field
- Languages: Fluent German (spoken and written), Business-level English (spoken and written)

Desirable requirements:

- Initial experience with working in a pharmaceutical company is a plus

Please submit a cover letter that includes your motivation for the position and from when you will be available. Thank you.

Accessibility and accommodation:

Novartis is committed to working with and providing reasonable accommodation to all individuals. If, because of a medical condition or disability, you need a reasonable accommodation for any part of the recruitment process, or in order to receive more detailed information about the essential functions of a position, please send an e-mail to diversity.inclusionch@novartis.com, and let us know the nature of your request and your contact information. Please include the job requisition number in your message.
