

## BPA Manager - Franchise / Cluster

Job ID  
REQ-10033891

1月 15, 2025

Belgium

### 摘要

Location: Vilvoorde, Belgium #LI-Hybride

Description: As a BPA Manager, you will drive strategic decision-making through complex analysis and reporting for large-revenue country operations. This role combines financial acumen with business partnership, providing critical insights and value-added analysis to support management teams. You'll be instrumental in shaping operational strategy and ensuring business excellence through data-driven recommendations.

Your responsibilities will be but are not limited to:

### About the Role

- Partner with management to deliver strategic insights through comprehensive business analysis and performance monitoring

- Lead financial planning processes including annual budgeting, rolling forecasts, and strategic planning initiatives
- Conduct risk and opportunity analyses, developing actionable recommendations for business optimization
- Drive investment decisions through robust financial analysis and business case development
- Monitor and evaluate business performance metrics, providing early warning signals for resource reallocation
- Validate commercial data integrity while offering recommendations for forecast accuracy improvement
- Optimize management reporting processes to meet evolving business needs
- LDC experience preferable

#### Essential Requirements:

- Proven experience in financial management and operations
- Strong analytical skills with expertise in data visualization and insight generation
- Advanced proficiency in AI-driven analytics and process optimization
- Demonstrated ability to influence key stakeholders and manage ambiguity
- Excellence in critical thinking and rapid problem-solving capabilities
- Deep understanding of market dynamics and business value drivers
- Strong compliance awareness and control management skills
- Fluent in English with exceptional communication abilities

#### You ' ll receive:

You can find everything you need to know about our benefits and rewards in the Novartis Life Handbook. <https://www.novartis.com/careers/benefits-rewards>

In addition to a market-competitive base salary, we offer an attractive incentive program, a modern company pension scheme, childcare facilities, learning and development opportunities as well as worldwide career possibilities within the Novartis group. In accordance with Austrian law, we are obliged to disclose the minimum salary as stated in the collective bargaining agreement. For this position the minimum salary is € 38.038/year (on a full-time basis). In most cases, the actual salary will be higher, as we strive to maintain a competitive position in the market and consider your previous experience, qualifications and individual competencies.

We are open for part-time and job-sharing models and support flexible and remote working where possible.

#### Commitment to Diversity & Inclusion:

Novartis is committed to building an outstanding, inclusive working environment and diverse teams, representative of the patients and communities we serve.

Why Novartis: Helping people with disease and their families takes more than innovative science. It takes a community of smart, passionate people like you. Collaborating, supporting and inspiring each other. Combining to achieve breakthroughs that change patients' lives. Ready to create a brighter future together? <https://www.novartis.com/about/strategy/people-and-culture>
