摘要

-To support the As Application, Platform, and Data (APD) BPA Manager, you will be responsible for the Business Planning & Analysis of APD Management, APD Assurance services, APD OpEx, TOQ, and the Central planning functions for the team. You will work closely with APD Head BPA and the APD IT Function heads to drive productivity, financial forecast, strong financial control environment and continuous process improvements.

As part of the role, you should also drive change and innovation in day-to-day processes by providing streamlined and automated solutions where possible, to reach standardized, simple, and efficient processes within the different functions of the APD Finance function.

About the Role

Key Requirements:

- Prepare and consolidate management reporting and financial planning processes (monthly closing, LO preparation, FTE analysis, I2P analysis, Depreciation, OI/E) to ensure the effective and timely delivery per central team timelines
- Development of detailed budget and financial forecasts for respective function
- Proactively drive performance and carry out value-added analyses on financial data: Functional Expenses, Other Income and Expenses, Depreciation analysis, Impairment review, Accruals,
- Handle SOW approvals for the function, rebooking, and ICSI invoicing
- Support the organization ' s leadership team with financial analysis (including Risks and Opportunities analysis), cost analysis and control and drive corrective actions.
- Conduct value added analyses, e.g. Resource Allocation, Benchmarking to recommend short -and long-term targets and improvement areas.

Essential Requirements:

- Strong financial controlling skillset, functional know-how and excellent analytical skills - able to connect the dots from various source of information and generate financial insights from independent analysis
- Strong communication skills: able to articulate the key findings and recommendations clearly to senior management team
- Display high professionalism and can-do attitude in an executive fast paced setting
- Display high curiosity, with continuous learning / improvement approach

Desirable Requirements:

- Minimum 10 years relevant finance experience, including BPA, Strategic Planning and Business Operations
- University Degree or equivalent experience (subject area with numerical and / or analytical content) with post graduate MBA or further professional qualifications preferable
