摘要

The Customer Engagement Partner (CEP) in Solid Tumor TA will cover three elements including (i) developing tailored brand strategy & tactical plan and (ii) facilitating day-to-day sales operation of the Radioligand therapy treatment centers. (iii) Establishing the eco-system of Radioligand therapy.

CEP will support developing the tailored brand strategy & tactical plan for the radioligand therapy treatment centres and will lead promotional projects as relevant. CEP will also coordinate among key stakeholders including HCPs, hospital administrators, supporting physicians, and relevant allied health staff in order to implement the tactical plans in the radioligand therapy treatment centres. Educate the key stakeholders in the treatment centres and referral centres on value proposition and related information of radioligand therapy through F2F interactions and pre-planned activities to maximize treatment rate and referral rate.

CEP will also on-board and certify key stakeholders including HCPs, Nuclear medicine, NSP, pharmacy, and non-clinical administrators for both existing and new treatment centres. CEP will also manage the day-to-day process to ensure that radioligand therapy is delivered efficiently to patients once they are identified.

CEP will help on the eco-system establishment from ground which consolidating the qualification information of Novartis Taiwan to make sure business sustainability of radioligand therapy in Taiwan.

About the Role
