Brazil

摘要

Primary responsibility is to support strategic business projects for Novartis Group, the CEO and the Executive Committee, with the aim of maximizing economic value and securing future competitive advantage.

About the Role

Major accountabilities:

- Manage Novartis Strategy CommunityThe project manager maintains the contact with the divisional strategy teams and plans/organizes regular update meetings.
- In addition, the project manager also leads small projects at any time from project scoping, creating content and managing of stakeholders to generate insights and prepare outputs which enable informed decisions.
- Prepare regular exchange between community members, e.g. independent organization of

- the annual Strategy offsite meeting (including agenda, speakers, etc).
- Ensure transparent communication across the divisional Strategy teams.
 - Support the managers and directors in project work and provide expert consultation during all project phases.
 - Align closely with stakeholders at country, functional and global level as defined by the requirements of the different projects and initiatives.
 - Independently monitor milestones of the projects as well as completion.
 - Assists Head of Strategy on larger strategy projects across units and functions as well as countries.
 - Take ownership for subparts of the overall project and ensure completion of these.
 - Proactively apply project management methodologies.
 - Provide change management support and appropriate communications for the implementation of projects and initiatives;
 - Lean Six Sigma Program Manager to oversee and expand our company's training initiatives, developing future improvement leaders while fostering a culture of operational excellence through structured mentoring and certification programs.

Minimum Requirements:

- Completed degree education in Administration, Engineering or correlated areas;
- Black belt, agility or PMO certification;
- Previous experience managing big projects across multiple functions;
- Excellent stakeholder management.
- English and Portuguese fluent
