摘要

Plays a central role in developing and co-creating of compelling customer focused services and solutions from product and beyond. Orchestrating the implementation of TA key tactics by connecting TA strategy to customer/stakeholder needs. Monitor execution and assure excellence and coherence with Novartis strategy & customer needs.

About the Role

Major accountabilities:

- Become the bridge between internal team and customers and effectively bring insights to cross-functional teams

Health-care professionals support and engagement

- Find ways to improve understanding of customer needs or to gather additional insights
- Develop and implement engagement plan to connect TA strategy to the market
- Develop and manage services to support customer journey
- Translate TA strategy into field execution KPIs; co-create the performance monitoring plan with cross functional team

Health-care system support and engagement

- Deep dive in patient journey pain points in the healthcare system, co-create sustainable solution with cross-functional team, implement, and follow results
- Collaborate with healthcare professionals to improve disease awareness and patient education
- Develop and manage patient support programs with cross-functional team

Ethics and Compliance

- Contribute proactively to build a credible image and positive reputation for Novartis
- Work within any given legal framework, Novartis Ethics and Compliance policies

Key performance indicators:

- Effectiveness of customer journey enhancement activities/programs
- Impact of patient journey/health-care system support e.g. program coverage, patient outcome
- 100% compliance

Minimum Requirements:

Work Experience:

- Excellent Stakeholder engagement - Building trustful relationships
- Execution excellence, growth mindset and self-managed
- Experience in coordinating cross-functional teams and co-creating solutions
- Project excellence
- Knowledgeable of relevant disease area, patient journey and treatments available
- Handling quality metrics & issues.
- Sales experience in multinational companies.
- Key account management experience is a plus
- Innovative & Analytical Technologies.

Skills:

- Key Account Management.
- Accountability
- Cross-function Collaboration
- Commercial Excellence
- Compliance
- Customer Engagement
- Market Development
- Problem Solving Skills
- Effective process management

Languages :

- Mandarin fluency, English fundamental
